On this week's episode of the *Thinking Global* podcast, members of the E-International Relations podcast team speak about what they have been reading lately – forming 'The Laid-Back Book Club'. Here, Abigail Glyn, Nigel Huckle (@NigelHuckle), Daniel McDaid, and Tusharika Deka (@Tusharika24) – four of the podcast's co-hosts – chat with Kieran (@kieranjomeara) about what they have been reading recently. Between these five, they are reading about: Kenyan youth labour export, the life of Angela Davis, Sun Tzu's *The Art of War*, the history of the Vietnam War, surveillance society and democratic rights, alongside the interrelation between global civil society movements and world politics.

Thinking Global is also available on all other major podcast platforms.
