***Mapping Counter Piracy Actors* – an E-IR Edited Collection. Edited by Phillippa Lewis. Available now via a free PDF download.**

Find out more about E-IR's range of open access books [here](#)

This publication is based on a series of essays written for Dr Christian Bueger by students on the 2012 International Relations MSc programme at Cardiff University. It is published by E-International Relations as an example of high quality student work. This collection outlines the actions of those involved in anti-piracy missions, and the weaknesses of current policies, in an attempt to forge a better understanding of counter-piracy actions.
